THE SPOTLIGHT IS SHINING ON '64

First it lights up Autumn, the beginning of our wonderful year when our Japanese exchange student, Fumi Beppu, came to us. It falls on football, the attention getter, and on the big bonfire and pep rally which boosted our spirits. Next, it moves to the homecoming ceremonies which climaxed the season.

Now, the spotlight gleams on Winter, with basketball claiming our enthusiasm. On to the highlight of the school holiday season, the Christmas Dance with its romantic theme, Christmas Carousel. It then shifts to the annual Science Fair, one of the important events in our scholastic year. To conclude our year, the spotlight comes to rest on Spring. We are nearing our goal. The annual Baby Pageant and Beauty Pageant, are held in a blaze of excitement, which extends through the Prom into the event for which we have prepared for twelve years - GRADUATION!

Fumi Beppu

We, students of Foley High School, thank the people of Japan for sending us their little goodwill ambassador, Fumiyo Beppu. Her short year with us has proven that the world can live together in harmony with love and respect for their fellowman. Fumi has left her imprint upon each of us. We shall never forget the vivacity and charm with which she guided our biased minds to a better understanding of mankind. Perhaps now, we understand that there is room in this world for all peoples.

THANK-YOU, FUMI.

IN AUTUMN THE CENTER OF THE SPOTLIGHT FALLS ON FOOTBALL

Moore scores 6 points for Foley against Grand Bay.

"One picture is worth a thousand words." As proof of this well-known proverb and in the hope of inscribing this year in your mind forever, the Annual Staff presents to you, the students of Foley High, the 1964 BLUE AND GOLD. We hope that we have captured for you a lasting remembrance of the exciting and cherished moments of this year--events that will reign in your memory as reminders of a very wonderful year.

1964

Mrs. Day Fullbright

She has a world of ready wealth,
Our minds and hearts to bless-
Spontaneous wisdom breathed by health,
Truth breathed by cheerfulness.
-Wordsworth-

Mrs. Mary Catherine Fullbright served her country during a time of national emergency and served well, receiving many honors and awards. She has continued to serve the youth of this great country, by her service as a teacher of young people. The honors and awards are different here, and cannot be measured in medals or ribbons, but in the respect and love to a person dedicated to the teaching of young minds.

The class of 1964 proudly dedicates this annual to Mrs. Mary Catherine Fullbright, lovingly known as Mrs. Day Fullbright. This is our way of expressing our gratitude and appreciation for all that she has done as a teacher, counselor, and confidant.

Oscar B. Rich

Holding the position of principal of Foley High School for three years, Mr. O. B. Rich is a "shining example" of school spirit. He has come through the doors at dawn and often stayed until long after dark, working hard that we, the students, might have the best. Mr. Rich loyally promotes all of our social functions and is always ready to help with any problems that may arise. He is truly a benefit to our school and because of his many fine qualities he commands the sincere respect and admiration of everyone at Foley High School.

It takes work and money to put on the Senior Prom, but our six top magazine salesmen, Byron Bauer, John Nelson, Jennifer Ryan, Sandy Schultz, Carolyn Whitham, and Ray Davis were not afraid of work. The Sophomore Class raised a total of \$3,015 for that purpose.

The Medical Careers Club is a fairly new organization at Foley, organized with the intent of furthering interest in the various fields of medicine. Its purpose is to help its members in choosing the right vocation in medicinal fields.

Sponsor: Mrs. DeMarlo

Our club is one of the oldest at Foley, and has been very active every year. It is a great help to those

who are interested in business as a career. They have a chance to observe and learn more about the business principles by belonging to the club.
